Building Accountable Communities

Accountability is a familiar buzz-word in contemporary social movements, but what does it mean? Conversation created by Kiyomi Fujikawa and Shannon Perez-Darby.

Transformative Justice: What Happens After Incidents of Harm?

After incidents of violence, threatened violence or harm, staff and clients alike ask for accountability. But what does it mean to foster accountability from a place of building community, welcoming and connection? BRC will present on its pilot, the principles of transformative justice, how this can philosophically and practically be embedded in our work to be person- and community-centered, and implementation lessons learned.
